

Name: _____

Summer IXL Assignment (Optional)
Course: Pre-Algebra

Below you will find a list of 10 IXL Lessons. These lessons pertain to skills that should have been mastered during the school year and are important for students to maintain their understanding. Please complete each lesson to a minimum score of 80, which is a score of “proficiency” for that skill/concept that you are working on. When you reach a score of 80, please have a parent/guardian record the smart score, initial, and date next to that lesson as verification that you have completed the lesson. Please turn in this sheet to your math teacher at the beginning of the school year.

Lesson	Smart Score	Initials	Date Completed
7.B.5 Compare and order integers			
7.C.3 Add and subtract integers			
7.C.7 Multiply and divide integers			
7.D.2 Compare and order decimals			
7.F.2 Equivalent functions			
7.G.1 Add and subtract fractions			
7.G.13 Divide mixed numbers			
7.H.1 Convert between decimals and fractions or mixed numbers			
7.CC.1 Calculate mean, median, mode and range			
7.J.11 Solve proportions: word problems
