

# Get ready for **SUMMER READING**

## **Summer Reading FYI for Rising Kindergarteners-5th Graders**

- ☀️ **While the K-5 summer reading program is optional, it is highly recommended.**
- ☀️ **Students going into grades K through 5 may use the “My Summer Reading Log” paper, or a reading log of their choosing, to keep track of the books they read (or have read to them).**
- ☀️ **Reading logs must be received by Mrs. Renner by September 12 in order to be eligible to receive a Chick-fil-a reading reward.**
- ☀️ **We are also participating in the Scholastic Summer Reading Challenge, where students track their reading minutes for online and in-school rewards.**
- ☀️ **All ANS students who were in pre-k through grade 7 last May were given login information for the Scholastic Summer Reading Challenge. If your child has misplaced his/her login information, please contact Mrs. Renner at [trenner@archbishopnealeschool.org](mailto:trenner@archbishopnealeschool.org) to request the information.**
- ☀️ **Students up to and including 5th grade may earn one extra checkout (for one week) by earning 9 Scholastic Summer Reading Challenge online badges; they earn two extra checkouts (each for one week) by earning all 18 badges. Badge sheets must be received by Mrs. Renner by September 12.**
- ☀️ **Students in grades 6-8 can earn a Chick-fil-a reading reward by earning at least 9 Scholastic Summer Reading Challenge online badges. Badge sheets must be received by Mrs. Renner by September 12.**
