Summer IXL Assignment (Optional)
Course: Second Grade

Below you will find a list of 10 IXL Lessons. These lessons pertain to skills that should have been mastered during the school year and are important for students to maintain their understanding. Please complete each lesson to a minimum score of 80, which is a score of “proficiency” for that skill/concept that you are working on. When you reach a score of 80, please have a parent/guardian record the smart score, initial, and date next to that lesson as verification that you have completed the lesson. Please turn in this sheet to your math teacher at the beginning of the school year.
